Reality Sports is a non-profit organization with the following values:

We believe in comprehensive physical, mental, and spiritual training that reflects on the words and life of Jesus Christ.

We believe in the fundamental value of sports and the lifelong lessons learned through participation.

We believe in quality instruction that will enable each athlete to reach his/her highest potential.

We believe in spiritual development through Biblical truth, discipleship (mentoring), service, and outreach.

We believe character, integrity, and values are just as important as physical talent and tools.

We believe everyone has a purpose, and sports can be used as a vehicle to enhance one's physical and spiritual gifts.

Reality Sports is a place where the claims of Christ can be explored while followers of Christ can grow in their faith.
